into the Midwest Area of the U.S.**

Warabeya Nichiyo Holdings Co., Ltd. (hereinafter the “Company”) has decided to revise a portion of the plan for the establishment of a new plant (Columbus, Ohio), which was announced in “(Revision of Disclosed Matter) Notice Regarding Business Expansion into the Midwest Area of the U.S.” on April 10, 2025, today as follows.

1. Details of Revision

| Item | Before Revision | After Revision |
|---------------------|-----------------|----------------|
| Start of operations | Summer 2026 | TBD * |

* TBD: To be determined

2. Reason for Revision

In light of changes in the U.S. economic situation and market environment, our business partner 7-Eleven, Inc. is considering a review of its supply chain in the North American area.

We are currently continuing careful discussions; however, as it has become necessary to review the production plan for the new plant, we have decided to change the operation start date to be determined.

3. Future Outlook

The impact of this change to the Company’s plan on its consolidated earnings has already been factored into the consolidated earnings forecast for the fiscal year ending February 2027 that the Company disclosed today.
