Notice of Extraordinary Losses

Warabeya Nichiyo Holdings Co., Ltd. (the “Company”) has recorded extraordinary losses at the 1st half of the fiscal year ending February 28, 2019 as detailed below.

1. Recording of Extraordinary Losses

The Company’s subsidiary recorded impairment losses on fixed assets as extra ordinary losses. The subsidiary has written down the book values of some business facilities to a level deemed recoverable as the assets are idle. The amount of the impairment losses booked is ¥706 million.

2. Impact to the Financial Forecasts

As the above extraordinary losses were included in the financial forecasts announced in “Notice of Revisions to Financial Forecasts” on Sep 25, 2018, no revision to the financial forecasts shall be made on this regard.
